

AdaptNSW 2023 Forum

Navigating uncertainty together

Hello,

We are thrilled to share the [official program](#) of the 2023 AdaptNSW Forum.

The two-day [program](#) is jam packed with engaging sessions and networking opportunities. Here's a glimpse of what's ahead:

Plenary sessions

- The Northern Rivers: adaptation after a disaster
- How do we, as climate professionals, maintain our mental health and resilience?
- The role of cultural institutions and the arts in responding to climate change

Workshops

- Adaptation planning 101
- A creative toolkit of tackling wicked problems
- Restoring connections: A group activity to understand an Aboriginal cultural perspective on climate change

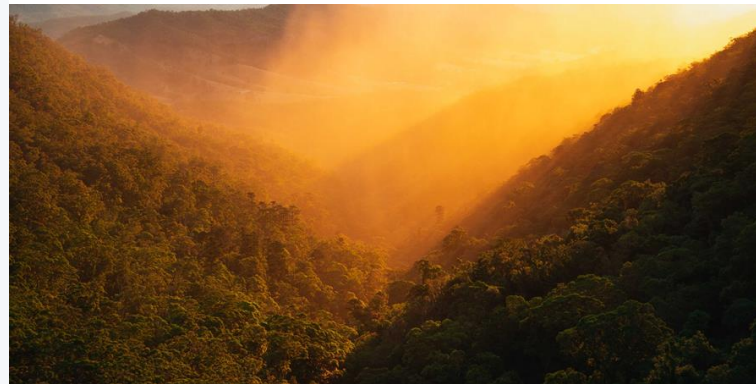

Panel discussions

- Insurance challenges in a changing world
- Disaster adaptation: planning for a changing climate
- Introducing NARClIM 2.0 - world class climate projections
- How do we navigate uncertainty in partnership with communities?

More details will be added to [the official website](#) as we approach the forum date so check back regularly.

ps: only a few days left [to apply](#) for regional local government assistance
